

WELCOME TO OUR FIRST EDITION

by Caylah Smith

Welcome to our very first Newsletter!

This Newsletter has been such a long time coming with a new website being built, COVID-19 affecting the entire world, having to stop doing what we love so much and so much more.... We are thrilled to be sharing this with you all finally!

Keep reading to see what our Club has been up to this year...

Firstly, I would like to thank the 2020 Committee and Volunteers for their outstanding efforts this year. This year has been the most difficult to date, and I am sure most of you would agree, our Officials are simply amazing for giving up their time so that you can do what you love most.

Our first meeting of the year seen the team head to Coolum Beach to work with the wonderful riders of Motorcross. Unfortunately, due to COVID-19, we only got to complete two events before having to stop completely.

Finally, COVID-19 eased and restrictions lifted enough so everyone could go back racing!

This seen our Team working at Lakeside International Raceway, Queensland Raceway, Morgan Park, Coolum Pines MX and volunteering for events such as; Auskarts, Dirt Sprints, Motorcross, All Aussie Day, QRDC and lastly, working with the fantastic team of AMRS.

To get the full details for Round 3 of AMRS, head to their website: <https://amrseries.com.au/> and click on 'News'.

Round 3 of AMRS was amazing! We had our volunteers working trackside, race control, safety car, pit lane, marshalling, recovery, scrutineering and more. This event was trying on our team in the wet conditions on the Saturday, but we pushed through and had a near on perfect day Sunday.

Congratulations to all teams who entered, it was great racing.

What's next for our Club.....

It's time to unwind for a few weeks, enjoy our Christmas Party and get ready for a full-on calendar year in 2021.

We cannot wait to see everyone trackside next year - stay safe and well over Christmas and the New Year, but until then..... Cheers to us!
